Inspector General's Recommendation Number 12, Page 27

Recommended DCI Action: Approve.

Inspector General's Statement

Recommended that:

The C/WHC give special attention to the case of the  
former communicator in 25X1A6a and attempt to work out a  
plan which would (a) give him reasonable expectation of  
long-range employment based on the results he produces,  
and (b) maintain his communications skill for staybehind  
or emergency use.
